ORDERING

HOW TO ORDER

Send us an email [info@mashasbagels.com] with the date and time of your event, address and what you are interested in ordering. A budget is also always helpful. Ideally we like to have orders finalized a week in advance, however, we are sometimes able to accommodate last minute requests, so feel free to write us or give us a call.

DELIVERY

Delivery is available most days in most locations around Berlin and is arranged by us. We use a bike courier for most orders. If you require set-up, please let us know in your request.

CANCELLATIONS

We require 72 hours notice for cancellation of catering orders. Larger orders may have a longer cancellation lead time if we have to order special ingredients. Cancellations made less than 72 hours from delivery or pick up, will be charged in full.

SET UP

Your order comes ready to serve in takeaway containers or reusable catering platters. If you would like us to come set-up your catering order for you, please let us know and we can sometimes accommodate this for large orders at an additional charge.

FOOD ALLERGIES

Our menu covers vegetarian, vegan, and gluten-free options, and we also supply allergen display tags to make it easy for guests to identify items. Please refer to our menu for allergens on each item. If anyone in your party does have a food allergy, please also alert our catering team when placing your order.
